

ML Ph.D. Proposal Request

Submit this signed form to the ML Academic Advisor with your ML Coursework and doctoral minor forms 3-4 weeks before your thesis proposal. A copy of your thesis proposal should be submitted at least 10 days prior to the scheduled proposal.

Date submitted _____ Student Name _____

GTID _____ Home School _____

Proposed Dissertation Title _____

Anticipated Proposal Date: _____

Committee Information: Below, please list the names and departments of the ML PhD Program faculty members that have agreed to serve on the PhD proposal committee. The faculty selection should be made with the understanding that the committee must consist of the advisor and two ML PhD Program faculty members who will also serve as the Reading Committee for the dissertation. If the student has a co-advisor, then the committee should consist of four total members.

IMPORTANT: by signing below, both the student and his/her advisor(s) assert that this requirement has been met, and that all committee members listed have agreed to serve and approve of the thesis proposal.

Committee Members (in addition to Advisor(s))

The person listed here is the Committee Chair who is responsible for managing the thesis presentation and can be any member other than the advisor or co-advisor.
